

How the Lives of Great Christians Can Heal Us

When: May 22, 2011
Sunday 10:00am – 5:00pm
Registration is at 9:30am

Presenter: Dr. Michael Murphy, Christian Psychologist

Where: Espousal Retreat Center, Waltham. MA

When our fast paced modern secular world threatens to overwhelm us we can set aside some time to let God touch and heal us through the lives of great Christians who have gone before us. During this retreat we will watch video lectures on great Christians like Francis of Assisi, Maximilian Kolbe, Damien of Molokai, and Mother Teresa by Professor William Cook. Dr. Cook is a practicing Catholic and inspiring lecturer who helps us to understand what each of these great Christians has to say to us today. Each lecture will be followed by time to reflect and then time to share in a small group. The discussions will be led by Dr. Murphy a Christian Psychologist from the Harvard Medical School and Massachusetts General Hospital.

The day will include watching videotaped talks given by Professor William Cook, personal reflection and prayer, small group sharing, Mass, and lunch.

Offering: \$45 (includes lunch)
